## Project Proposal

Dear Customer,

We are pleased to submit this proposal for the development of a Pricing Tool. The project involves calculating the cost based on the estimated hours and level of expertise required.

The scope of the project includes the development of the Pricing Tool, with the following details:

- Calculated Cost: ₹87,500 (for 175 hours @ senior level)
- Requirements Summary: The project requires 175 hours of work at a senior level, resulting in a total cost of ₹87,500.

Please note that the project timeline and scope are subject to change based on your requirements and feedback.

## Commercials
