## Project Proposal

Dear Customer,

We are pleased to submit this proposal for the development of a Pricing Tool, as per our discussions. The project involves calculating the cost based on senior-level expertise, and we estimate it to require approximately 350 hours to complete.

The scope of the project includes the design, development, and delivery of the Pricing Tool, with the calculated cost being ₹175,000. Our team will work closely with you to ensure that the final product meets your requirements and expectations.

Please note that our standard terms and conditions apply to this project. If you have any questions or need further clarification, please do not hesitate to contact us.
